DELIVERY METHODS

FACILITATED VIRTUAL DELIVERY

Here at The Pivot Institute, we are leaders in the field with our own Pivot Online Learning System (POLS). Virtual face-to-face participants will be set up on our leading online learning platform; the Pivot Online Learning System (POLS). This platform provides students with the content, resources and assessment documentation necessary to complete the course. Participants will attend virtual classrooms with industry leading facilitators. Participants can start the course anytime and will be required to book in and attend sessions via Zoom. Printed workbooks, assessment documentation and all resources are provided and posted to students.

SUPPORTED DISTANCE DELIVERY

Supported distance delivery participants will be set up on our leading online learning platform; the Pivot Online Learning System (POLS). This platform provides participants with all learning materials and resources to cover the content in the certificate. Printed workbooks, assessment documentation and all resources are provided and posted to students. Participants receive regular facilitator contact to support them throughout the duration of the course.

RECOGNITION OF PRIOR LEARNING

RPL is an assessment process that enables an applicant to gain recognition of skills and knowledge regardless of how they were achieved. This may include formal or informal learning, work experience, or general life experience. Where RPL is granted you do not have to participate in further training and assessment for skills and knowledge that you already possess.
